This is your opportunity to own a beautiful Mid Century Modern home in a private location on San Benancio Road. This home lays on a spacious 2.53 acre piece of land with lush ridgelines, sun and crystal-clear stars at night. The "jaw drop" living room was designed for excellent acoustics and entertaining; large windows abound to showcase the views. Open Kitchen and Dining room spaces with doors that open onto the wraparound deck. Three bedrooms follow, all with doors opening onto the valley views upon the deck. Master bedroom en suite is oversized and has several closets for extra storage. Two bonus spaces in the home for in-home offices or art areas. Lush green landscape with multiple wildflowers bloom in January and beyond while succulents and mature trees thrive year round. Conveniently located to the City of Monterey, Monterey Airport, a half mile to Titus Park Swimming (Saltwater pool) and Tennis Center and mins. from Toro Park/Fort Ord. Desirable Washington Union School District. This location allows for up to two horses on the property; enough to expand upon an orchard or pasture already on a drip system. Don't miss this chance to live in the 'off 68' community!

Square footage, acreage, and other information herein may have been received from a variety of sources and has not been verified. If important to buyers, buyers should conduct their own investigation.
