Located on the 2nd fairway of the MPCC Shore Course sits this remarkably reconstructed, southwest facing home. This light and bright, modern cottage features oversized windows allowing the sunlight to stream through the home year-round. Facing the Fairway is an expansive deck with an opportunity for ocean and sunset views. Exquisitely crafted by Prestige Construction, this home features a spacious kitchen boasting rich walnut cabinetry and Thermador appliances, vaulted ceilings, and wide plank, white-oak wood flooring throughout. This golfer's retreat is complete with marble finished bathrooms. The two heat zones, Andersen doors and windows and a fireplace make this a very cozy home. A separate dining room with courtyard access captures the morning sunrise. Off of the deck, the backyard firepit overlooks the Fairway, and a golf cart garage are included. Enjoy a short stroll to the beach, and an even shorter stroll to the Club. You don't want to miss this home!
